## ALMA MATER

To Canton South High School

We pledge unfailing loyalty.

We would make success our rule

And bring to you the victory.

Though the way be hard and long,

Yet in our hearts we'll sing this song.

As we travel on our way,

We'll always love thee Red and Gray.

# Dedication

Thelma Bechtel Watkins, Latin teacher at Canton South High School for the past twenty-three years, has had a life that parallels the history of the school district.

As an elementary school student she had the nostalgic experience of learning in a one room school called Mt. Pleasant. This school was a forerunner of Trump Elementary School. High schools were few and far between when young Thelma wished to continue her education so she traveled what was then a great distance to McKinley High School and transferred to Central High School which was then on the site of the present Timken Vocational High School.

The persistence of Thelma to gain a coveted degree for teaching directed her to Ashland College where she received her Bachelor of Arts Degree in Latin, English, and History.

Thelma began her teaching at Fairhope Elementary School District. She interrupted her teaching career to marry and begin her family. David, now married to a schoolteacher, was born before Thelma returned to Beechwood Elementary School and East Canton High School to resume her teaching career.

After coming to Canton South High School, Tim, her second son was born and is presently a sophomore in high school. Thelma and her family have known physical adversities. Thelma is reluctant to relate the harrowing experience of a terrible automobile accident and the ensuing months of recovery during the year 1962, where she and her family bravely fought for health. After that experience Thelma literally "fell" for Canton South when she broke her arm while on duty as a teacher in the high school building.

The aesthetic nature of Thelma has led her to travel extensively and through the medium of pictures she has shared her experiences with her students and peers. The enrichment and animation brought to the Latin classes at Canton South have been accomplishments of Thelma for which her fellow Latin teachers have lauded her through emulation and her students have reciprocated through accomplishment.

Cui bono? We do! To this end the Canton South Moderian dedicates to Thelma Watkins, the 1970-71 edition. Esto perpetua!

# — Outstanding Senior Girl

## LuAnn Roshong

LuAnn is quite talented musically. She plays piano and was a member of the marching, concert, and select bands.

LuAnn was only the second young lady in the history of the school elected president of the Student Executive Board. In addition to serving as president of Student Executive Board, LuAnn was also president of Tri-Hi-Y, secretary of her class, treasurer of National Honor Society, secretary of Monitors, chairman of Tri-Hi-Y executive committee, and secretary of Senior Senate.

She was selected as South's representative to the Presidential Classroom for Young Americans, was an alternate to Buckeye's Girls' State, and is quite active in church affairs.

LuAnn ranked third in her class with an outstanding point average of 3.97 and plans to attend Wooster College, majoring in science.

She was honored as co-salutatorian of her class. It has been said, "We need people like LuAnn to serve as models for future young school citizens." With her many achievements and out-going personality this statement is certainly true.

# Outstanding Senior Boy

## Dwain Carver

Dwain has always been sportsminded. His extracurricular activities both in and out of school have centered around sports. Dwain has lettered in baseball, football, and played on the varsity squad in basketball and also in organized summer leagues of baseball.

He was selected by the faculty to be the school's representative to Boys' State. Dwain became a member of the National Honor Society in his junior year and was elected its president as a senior. He was a member of the Senior Senate and the Student Executive Board and an active member of the Fellowship of Christian Athletes. Dwain has never been one to join an organization just to have his name on the roster. Once he is a member he gives that organization his loyalty in both attendance and constructive participation. It should be noted that as dearly as this outstanding senior loves sports, he never loses the perspective of the academic surrounding which makes him and others like him fine, well rounded young men.

Nancy,

You've meant so much to me, I'll never forget you. I'd never forget <u>all</u> those times in band, cause I really enjoyed them & you. Although we had some disagreements our freshmen year, I know we won't again. You've been through so much & I want you to know that you can confide in me, always.

If you ever need anything, (such as the recipe for meat loaf which I keep forgetting) I'll be there, so don't ever forget me!

Best of luck in school (+your future plans) May God Bless!

Love

Jayne,

Thanks. Thanks for
Everything. Thanks for
Being a friend. Thanks for
Being there

Nancy -

How's this for a Topsy-Turvy line? You shouldn't have any trouble in school or College because of your superior intellect. (How's that for a line?) Seriously, good luck for your ante High school days.
